When you purchase an animal at the Lee Allen Memorial Youth Auction, you are buying prize winning livestock raised by 4-H/FFA members. Your purchase helps support the important educational programs of these youth groups. It also brings you the choicest beef, pork, lamb, poultry and rabbits for your dining pleasure.

The young people in 4-H/FFA programs are learning to produce the highest quality food for your table. Being responsible, engaging in financial obligations and learning how to manage their own business operations only scratch the surface of the educational benefits. On a small scale, however, their costs are higher than commercial producers so YOUR support is needed.

How The Auction Works

BIDDING

You will be provided a sales catalog that lists all of the animals, along with their weights and owners. As each animal is led into the ring, the auctioneer asks for bids on a per head basis. When you wish to bid on an animal, just raise your hand. This continues until the high bid is reached, with the animal going to the highest bidder. If you want assistance, the are official Auction Committee members who will be glad to help you. Remember, whether you buy or not, your bidding helps the sale of the young livestock owners.

If you or your organization wants to help, yet have no use for an animal, buy one at the auction, then resell it at market price to a commercial packer. Your actual cost will be the difference between the bid price and market price.

What You Do After You Buy

Fill out all information on the buyers slip. **Animals will be sent for resale unless you notify the clerk on AUCTION NIGHT that you desire the meat and give delivery instructions.**

- Keep the meat for personal use. The animal will be delivered C&C Slaughtering, Willamina Meat Service, Mohawk Valley Meats, or Farmer's Helper to be cut and wrapped to your specifications.
- Consign it as resale directly to a commercial packer at market price, if you do not wish to keep the animal for personal use. Your cost is the difference of the market price and auction price.
- Pick your animal up live.
